

# OBCR Scholarship Letter of Recommendation

**OUTWARD BOUND  
COSTA RICA**

---

Student Name (printed)

---

Course Name & Session Dates

## Thank you for taking the time to complete this recommendation.

Outward Bound Costa Rica provides adventure courses that help students develop leadership skills and foster personal growth. While on course, students will be utilizing group management and communication skills. All of our courses offered in Costa Rica and Panama are challenging and oftentimes very stressful for students, both mentally as well as physically as they go beyond their comfort zone.

Please answer the following questions regarding a student who has requested a partial scholarship. Feel free to use additional pages if you need more space. Your answers are important to this student's application.

Describe how you feel the student named above will benefit from this type of course.

Describe how the student currently handles conflict, stress, and group settings.

How does this student currently display leadership and academic skills?
